Standard Specifications.

Design — Designed for safety, flexibility and total freedom and independence. Fully compliant to BS5900 : 2012.

Unobtrusive — Simple and unobtrusive, the Wessex Homelift's space saving design uses the absolute minimum space in your home.

Solution — The complete solution:

- Site survey by Wessex Area Sales Manager
- Completion of all electrical and building work
- Installation of lift by Wessex trained personnel
- Commission and demonstrate to client
- After sales care - service and maintenance

The pump box powers our through-floor lifts. It can be placed indoors or outdoors, and being just 48.5cm tall, 23cm wide and 28cm deep, it's certainly small enough not to worry about!

Peace of Mind — Wessex fully trained engineers are regionally located at five depots through mainland UK. For that total assurance, Wessex engineers are on call 24 hours a day, 365 days a year.

Options & Accessories — An extensive range of options are avaliable, including seats, keyswitch call stations (for added security), power operated door, in car telephone and many more.

Wessex HomeLift.
